LUBICK FOUNDATION

For every \$1,000 in donations, one family will make it through the month

Taking the fight against cancer to the next level

RamStrength, the Lubick Foundation's non-profit initiative, continues to grow and evolve. Headed by Executive Director, Michelle Lubick Boyle, the team is thriving and continues to grow as an established 501(c)3. Taking the fight against cancer to the next level, they are enabling increasing support for local cancer survivors in need by providing direct financial assistance for basic needs, scholarships, programs and services. When cancer struck the Lubick family, they fought back. Born out of Michelle's desire to help and support her brother, Marc, when he was battling a rare form of cancer, she and Tasha Marchant founded RamStrength in 2007 with incredible community support. Since then, the momentum has continued to grow, sparking successful events and fundraisers, increased volunteer support, and raising over \$3 Million since its inception! RamStrength is managed by the Lubick Foundation, with members of the Lubick family supporting the everyday efforts of the organization.

Join • Volunteer • Donate • Purchase

Join our mission in supporting local cancer survivors as we provide financial assistance for basic needs, scholarships, programs and services.

YEAR IN REVIEW

## Mission

RamStrength™ supports local cancer survivors by providing financial assistance for basic needs, scholarships, programs and services.

### BASIC NEEDS

RamStrength helps cancer survivors that have demonstrated a financial need, by providing assistance with rent payments, car payments and unforeseen auto repairs, monthly bills for utilities and groceries, transportation to and from chemotherapy appointments, medical insurance premiums, prescription or lab co-pays.

### SCHOLARSHIPS

Scholarships and financial assistance to CSU students surviving cancer.

### PROGRAMS & SERVICES

Sponsorships for children surviving cancer to attend summer camps, cancer survivor support groups and programs.

## Vision

To be a leading force in changing the face of survivorship, where no one has to decide between cancer treatment and their basic needs.

## Core Values

- Community-based partnerships
- Open grassroots efforts by local volunteers
- Focus on touching lives in our community

## Initiatives

### LOCAL ASSISTANCE

RamStrength™ responds quickly to assist with immediate basic needs for those battling cancer and in financial need, helping to alleviate the stresses that cancer survivors and their families face everyday. RamStrength is a supporting voice of the community, empowering cancer patients with the knowledge that they are not alone in their fight against this disease.

### SCHOLARSHIPS

RamStrength is excited to grant an increasing number of scholarships that provide tuition assistance to CSU students afflicted with cancer.

### SUMMER CAMPS – YOUTH SURVIVORS

RamStrength proudly participates in the Sky High Hope, Nighthawk Ranch, and Camp Wapiyapi annual camps for children who have been affected by cancer, and their siblings. It creates an opportunity to experience the outdoors in a fun and safe environment. RamStrength provides scholarships to sponsor a number of campers every year.

### COMMUNITY EVENTS AND FUNDRAISERS

RamStrength is working to raise cancer awareness throughout Northern Colorado. RamStrength organizes fundraisers and participates in local community events to raise awareness for cancer and the need to help our friends and neighbors who are going through treatments. Some of the biggest fundraising events hosted by RamStrength include: Spread the Love – Valentines Event, Kickin’ Cancer – CSU Football Game Day and Tailgate, EaglesStrength game with the Colorado Eagles and an Annual Golf Tournament and Benefit with C.B. & Potts.

## Community Partnerships

Without these valuable partnerships established throughout the community, RamStrength would not be able to reach the increasing number of cancer patients with immediate financial needs. Here are some key organizations that have partnered with RamStrength in their mission to support local cancer survivors.

**BridgeWell Foundation**  
of Northern Colorado

**uhealth**

**wapiyapi**  
offering an exceptional camp experience that fosters friendships, fun and healing outside of the hospital to families with childhood cancer

## Survivor Story

... Proudly, I can say that I am going to complete a life-long dream of mine and become a veterinarian as I am starting veterinary school this fall. Cancer never got in my way of achieving my goals, and the Lubick Foundation has been extremely helpful financially, so that I could focus on my education without the additional stresses of working ...

– Dorothy (Dosia) Kociuba
